**IN THE CLAIMS**

The claims presently pending in the application, with any amendments thereto shown below and in a section at the end of the Amendment providing clean copies in accordance with 37 C.F.R.

1.121 are:

1. (AMENDED) A computerized wagering game apparatus, comprising:

a computerized game controller operable to control a computerized wagering game;

a video display and/or slot display device providing a visual representation of a signal provided by the computerized game controller such that the video display device displays at least one visual image selected from the group consisting of

a) computerized wagering game status information and

b) symbol elements that change with the play of the wagering game;

a communication port communicatively coupled to the computerized game controller;
